**Response to Question 15**

XA has not received any prior Section 214 authorizations. XA is not applying for authority to acquire facilities or to provide services not covered by Sections 63.18(e)(1) through (e)(3) of the FCC's rules. An authorization of the facilities which XA seeks to use to provide international service is not categorically excluded by Section 1.1306 of the Commission's rules.
